THE LATEST FROM DR. YOO REGARDING
DERMATOLOGY AND SKIN CARE

HAPPY THANKSGIVING!

As we head into the holiday season, we want to take a moment to express our gratitude for our wonderful patients. We hope you enjoy time with loved ones and reflect on the things you are grateful for this year!

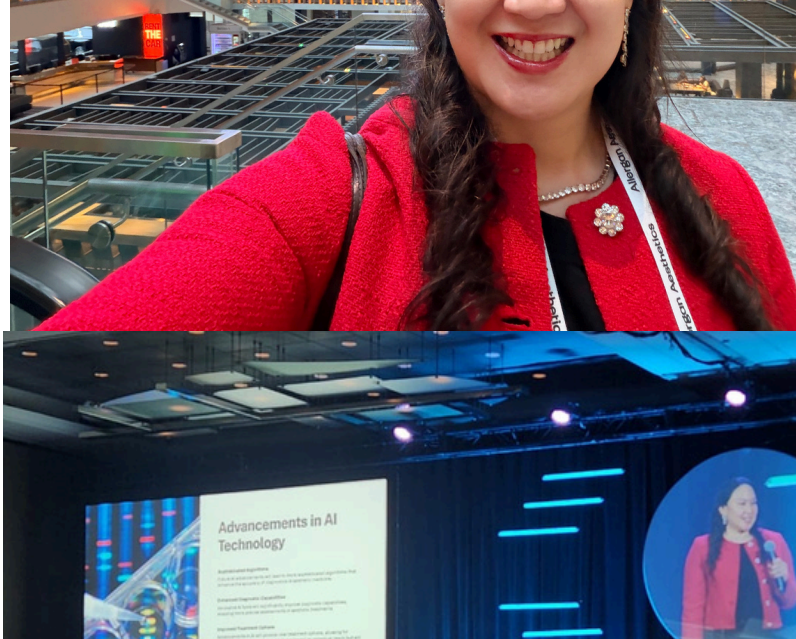

2025 TCS NYC MARATHON

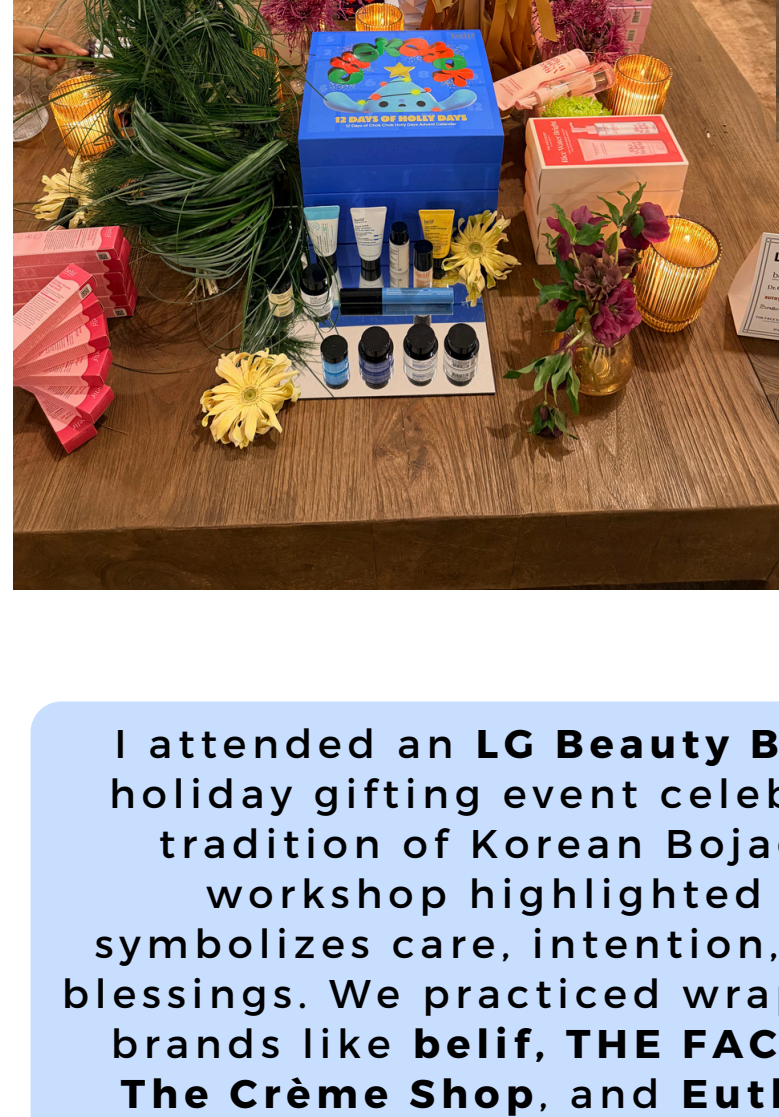

At the beginning of this month, I crossed the finish line at the **TCS New York City Marathon**, an unforgettable race through all five boroughs. The crowds, volunteers, and electric energy reminded me why this course is so special and why I love the running community. Grateful to everyone who made the day meaningful, and already looking forward to the next starting line in Tokyo.

AMERICAN SOCIETY FOR DERMATOLOGIC SURGERY 2025 ASDS ANNUAL MEETING

This month, I attended the **ASDS Annual Meeting** in Chicago, a weekend dedicated to education, innovation, and collaboration in aesthetic dermatology and dermatologic surgery. I served as a **session director for AI applications in aesthetics**, spoke on the **digital skin revolution**, and presented on the **use of ultrasound in dermatologic surgery and aesthetic imaging**. The meeting highlighted advances in procedural safety, emerging techniques, and new technologies, offering an inspiring opportunity to learn, exchange ideas, and connect with my colleagues from around the country!

LG BEAUTY BOJAGI WORKSHOP

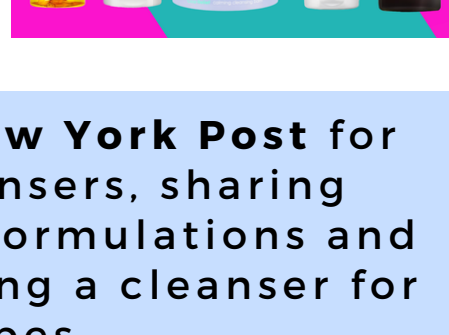

I attended an **LG Beauty Bojagi Workshop**, a holiday gifting event celebrating the art and tradition of Korean Bojagi wrapping. The workshop highlighted how each knot symbolizes care, intention, and the sharing of blessings. We practiced wrapping products from brands like **belif**, **THE FACE SHOP**, **Dr. Groot**, **The Crème Shop**, and **Euthymol** using lotus, hydrangea, and chrysanthemum knots. It was a meaningful way to welcome the holiday season and reflect on gratitude and tradition!
